## Program Description

Experience British culture firsthand while living in an authentic castle that is over 700 years old! Used as the location for “Hogwarts Castle” in Harry Potter movies, this dramatic setting provides students an amazing place to live and learn in the beautiful countryside of Northumberland. Alnwick is picturesque market town, situated on the south bank of the Aln River and about thirty miles from the Scottish border. By living within the walls of an ancient castle and studying Great Britain both inside and outside of the classroom, students develop both historical and contemporary perspectives on issues in the United Kingdom. Students get the chance to explore interesting cities and villages within the U.K. and across Europe.
