

## Where do we live?

*Kuala Lumpur*, the capital city of Malaysia, has a population of approximately 1.8 million people. It is an exciting combination of the traditional old world and urban modern. "KL" offers plenty of entertainment and leisure activities for people, including shopping centers, cafes and restaurants, and sports and fitness facilities. The capital city is also internationally renowned for its higher education institutions as there are a number of international private colleges and universities for people to attend. Malaysia, as a whole, is becoming a more well known country not only for its international education opportunities but its vacation spots as well, drawing more tourists each year.

Students will attend Taylor's University-Lakeside, one of Malaysia's most successful private colleges. They strive to educate their students to become leaders and over 70,000 of their graduates have become leaders in their chosen fields. Taylor's has an international reputation, partnering with universities all over the world to create exchange programs, study abroad programs, and degree transfer programs.

## Program Objectives

The Malaysia Taylor's University program offers the chance for students to live and study at a school whose focus is on a global education. It seeks to expose students to the rich multicultural and multiethnic heritage of Malaysian society. By submersing themselves in a culture different from their own, students are given the opportunity to compare cultures and gain a better understanding of both themselves and the world.

Check out this program's variety of options!

**Traditional semester-long enrollment**

Term(s): Fall and Spring

**First-Year Experience (FYE)**

Term(s): Spring

A required pre-course during your Fall semester

## Academics

Students enroll directly in Taylor's University-Lakeside Campus. An established course equivalency table makes it easy for students to choose courses, however, course offerings will still vary by semester. SCSU students attending Taylor's University have the option to live either on or off campus. Off campus housing is located close to the university with access to public transportation. Students are assisted by the University for their housing needs.
